The following goals and priorities were identified at the 2013 Board Evaluation Workshop:

**Board Effectiveness Goals**

1. The Board will continue to uphold its code of ethics policy and will uphold communication protocols and expectations for trustee behavior during board meetings and with college staff and community.

2. The Board will conduct the annual CEO evaluation and set of priorities and/or goals in conjunction with the CEO. The CEO evaluation will take place after the Board self-evaluation so that the Board goals and tasks will inform CEO goals and tasks.

3. The Board will continue an annual self-evaluation process that will include seeking input from administrators, faculty and staff.

4. The Board remains committed to listening to and considering faculty, staff, and student perspectives and recommendations in local decision-making. It is committed to clarifying its rationale for decisions that may be counter to those recommendations.

5. The Board will continue to seek opportunities to inform administrators, faculty and staff about board roles, limits, responsibilities, accountability to the community, and rationale for decision-making.

6. The Board will continue to provide guidance for collective bargaining and set parameters for negotiations.

7. The Board is committed to communication and leadership styles that model a culture of mutual respect and collaboration.

8. The Board will continue to strengthen its ability to engage fully in discussions on policy issues and future directions of the district.

9. The Board will develop a process to identify and advocate positions, as appropriate, on key state and federal policy issues affecting the colleges.

**Selected Board Tasks/Priorities Related to District Strategic Plan Goals**

**District-wide Goal 1. District Culture**

1. The Board will hold the Chancellor accountable to foster a district-wide culture that is characterized by mutual respect and collaboration and that celebrates the uniqueness of each
institutions. The board will expect and support the chancellor in implementing strategies to achieve this goal.

**District-wide Goal 2. Student Success**

2. The Board will continue to study and provide leadership for district and college student success initiatives, including enrollment management and other strategies that support student progress.

3. The Board will strengthen its own role in setting standards for and monitoring student success, including using statewide measures of student success.

4. The Board will provide leadership for refining the district missions, including considering strategies to retain programs that respond to community lifelong learning needs.

**District-wide Goal 4. Integrated Planning**

5. The Board will expect and support the Chancellor in integrating district and college planning processes, focused on student achievement and provide efficient use of resources.

**District-wide Goal 5. Decision-Making Processes**

6. The Board will expect and support efforts to increase transparency in decision-making district-wide.

**District-wide Goal 6. Partnerships**

7. The Board will expect and support efforts to build and maintain partnerships with business/industry to meet career and technical education needs.

8. The Board will expect and support efforts to strengthen partnerships with other educational systems and institutions that will support student success.

The Board will consider progress on and achievement of these goals as part of the 2014 self-evaluation process.
