6-2 Modify: Information to Bidders, 13. Bid Alternates

From:

13. Alternate Bids. If alternate bids are called for, the DISTRICT will award the contract to the lowest responsive and responsible bidder in a manner that prevents any information that would identify any of the bidders from being revealed to the DISTRICT before the ranking of all bidders from lowest to highest has been determined. If alternate bids are called for, in addition to submitting all bid documents in a sealed envelope as indicated, bidders must submit, in a separate, plain unmarked, sealed envelope, the BID SUMMARY completed with all the prices and the BIDDER NUMBER. Bidders must obtain their bidders numbers at the office of the Construction Manager:

Aside from the bidder number, there should be no return address, logo, signature, or other means of identifying the bidder on either the bid summary or the envelope. The bid summaries will be opened and read in public at the time and place specified. The District will use these bid summaries to determine which alternates to accept, if any, and rank all bidders from lowest to highest.

To:

13. Alternate Bids. If alternate bids are called for, the DISTRICT will award the contract to the lowest responsive and responsible bidder in a following manner:

The lowest bid shall be the lowest bid price on the base contract without consideration of the prices on the additive or deductive items.
