Note:

All documents remain unchanged except section or parts added to, revised, deleted and/or clarified by this Addendum.

1. The link below will take you to a Dropbox folder containing all available drawings for the A200 building. Note that the first 45 pages are original construction as-builts and the last 15 pages are referencing an addition to the building a few years later. Note also, that within the set the A200 building is referenced as "Building 1". The folder also contains all available drawings for a 2005 HVAC remodel.
