

LOCAL LAW ENFORCEMENT

Each college of the District shall have written agreements with local law enforcement agencies. The agreement shall clarify operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, sexual assaults, including, but not limited to rape, forced sodomy, forced oral copulation, rape by foreign object, sexual battery, or threat of any of these, and hate crimes as defined by law, occurring at each location.

The agreements shall designate which law enforcement agency shall have operational responsibility for violent crimes, sexual assaults, and hate crimes, and delineate the specific geographical boundaries of each agency's operational responsibility, including maps as necessary.

The agreements required by this policy shall be public records and shall be made available for inspection by members of the public upon request to the Vice Chancellor of Business Services. Written agreements shall be regularly reviewed and updated, as necessary, but not fewer than every five years.

The South Orange County Community College District encourages accurate and prompt reporting of all crimes to the campus police and/or the appropriate police agencies. The Chancellor shall establish regulations that encourage pastoral counselors and campus psychologists, if and when deemed appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.
