

STANDARDS OF STUDENT CONDUCT AND DISCIPLINE PROCEDURES

Students shall respect the right of all members of the college community to teach and learn in a safe and academically stimulating environment. The Chancellor and college presidents shall hold students responsible for observing the student conduct rules and regulations of this policy.

The Chancellor shall establish regulations for the imposition of discipline on students in accordance with the requirements for due process of federal and state law and regulations. The regulations shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including but not limited to the removal, suspension, or expulsion of a student.

The Board shall consider any recommendation from the Chancellor for expulsion. The Board shall consider an expulsion recommendation in closed session unless the student requests that the matter be considered in a public meeting. Final action by the Board on the expulsion shall be taken at a public meeting.

The Student Code of Conduct shall be published in both college catalogs, other publications, and college websites. Violation of such rules shall constitute good cause for imposition of disciplinary action as provided in rules and regulations.
