

NATIVE AMERICAN HUMAN REMAINS AND FUNERARY ARTIFACTS DISCOVERED DURING CONSTRUCTION

It is the policy of the South Orange County Community College District that in the event that any construction activity of the District results in the discovery of Native American human remains or funerary artifacts, construction activity in the area of the discovery shall cease. The District shall then make a reasonable effort to protect the items discovered before resuming construction activity and provide written notification of such discovery to the Secretary of the Department of the Interior and Native American community. Upon certification by the Secretary of the Department of the Interior or the affected communities, the construction may resume after 30 days of such certification.
