

## COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, AND ACCESS

The District is committed to employing qualified faculty, classified professionals, and management team members who are dedicated to promoting student success; fostering an environment that ensures an inclusive, diverse, and welcoming campus culture for all students and employees; and denouncing hate, racism, and discrimination in all forms. The District recognizes that diversity, equity, inclusion, and access in the academic environment fosters cultural awareness, promotes mutual understanding and respect, and provides suitable role models for all students and employees. The District is strongly committed to hiring and offering professional development that supports the goals of equal opportunity, diversity, equity, inclusion, and access, and provides equal consideration for all qualified candidates.
